

CURRICULUM VITAE

1. **Family name:** D'ALMEIDA MARTINS
2. **First names:** RAFAEL
3. **Date of birth:** 02/22/1978
4. **Nationality:** PORTUGUESE AND BRAZILIAN
5. **Civil status:** MARRIED
6. **Education:**

Institution [Date from - Date to]	Degree(s) or Diploma(s) obtained:
2008 - 2014 University of Campinas (UNICAMP), Brazil Vrije Universiteit Amsterdam (VU), The Netherlands	Doctor of Philosophy (Ph.D), Environmental Sciences (climate change adaptation, development studies and vulnerability assessments) <i>To be defended in 2015</i>
2001-2006 Getulio Vargas Foundation (FGV), Business School of São Paulo (EAESP), Brazil	Masters of Arts (BA; MA), Public Administration (international development and management sciences) <i>Equivalency granted by the government of the Kingdom of Belgium (in June 2012)</i>

7. **Language skills:** Indicate competence on a scale of 1 to 5 (1 - excellent; 5 - basic)

Language	Reading	Speaking	Writing
Portuguese	1	1	1
English	1	1	1
French	1	2	3
Spanish	1	1	2

8. **Membership of professional bodies:**

Current

Guest Editor, **Special Issue on Sustainability Strategies to Adapt to Climate Change, Sustainability**, MDPI AG, Switzerland.

Reviewer, **Habitat International: A Journal for the Study of Human Settlements**, Elsevier, The Netherlands.

Reviewer, **International Journal of Business and Marketing Management**, The Institute for Business and Finance Research, USA.

Reviewer, **Journal of Integrative Environmental Sciences**, Taylor & Francis Online, UK.

Reviewer, **International Journal of Biodiversity and Conservation**. Academic Journals, Nigeria.

Reviewer, **International Journal of Agricultural Policy and Research**, Journal Issues.

Reviewer, **Educational Research and Reviews (ERR)**, Academic Journals, Nigeria.

Reviewer, **Journal of Research in Peace, Gender and Development**, International Research Journals Publishing House, Nigeria.

Reviewer, **Intercontinental Journal of Education Research**, Intercontinental Journals, Nigeria.

Reviewer, ***Herald Journal of Geography and Regional Planning***, Herald International Research Journals, Ghana.

Reviewer, ***Herald Journal of Marketing and Business Management***, Herald International Research Journals, Ghana.

Reviewer, ***Ambiente & Sociedade***, University of São Paulo (USP), Brazil.

Reviewer, ***International Research Journal of Library, Information and Archival Studies***, International Research Journals Publishing House, Nigeria.

Reviewer, ***International Journal of Climate Change Strategies and Management***. Emerald Group Publishing Limited, UK.

Research Fellow, ***Earth System Governance Project***, International Human Dimensions Programme on Global Environmental Change (IHDP).

Past

Member of Review Panel. ***2014 Norwich Conference on Earth System Governance: Access and Allocation in the Anthropocene***. July 1-3, 2014, Norwich, UK.

Member of Review Panel. ***2013 Tokyo Conference on Earth System Governance: Complex Architectures, Multiples Agents***, January 28-31, 2013, Tokyo, Japan.

Member of Review Panel. ***2012 Lund Conference on Earth System Governance: Towards Just and Legitimate Earth System Governance to Address Inequalities***, April 18-20, 2012, Lund, Sweden.

Member of Review Panel. ***8th Annual Latin America and the Caribbean Regional Conference of the International Society for Third Sector Research (ISTR)***, Civil Society: Towards Growth and Consolidation. July 12-14, 2011, Buenos Aires, Argentina.

Member of Review Panel. ***International Seminar Population and Space in Environmental Change: Cities, Scales and Climate Change***, April 27-29, 2011, Campinas, Brazil.

Member of Review Panel. ***2011 Colorado Conference on Earth System Governance: Crossing Boundaries and Building Bridges***, May 17-20, 2011, Colorado, United States of America (USA).

Assistant Editor, ***Ambiente & Sociedade***, University of Campinas (UNICAMP), Brazil.

Member of Review Panel. ***7th Regional Conference for Latin America and the Caribbean, "Civil Society and International Cooperation in Latin America: challenges for the future"***, July 1-3, 2009, Mexico City, Mexico.

Network Coordinator, ***Earth System Governance Project***, International Human Dimensions Programme on Global Environmental Change (IHDP).

9. **Other skills:** (e.g. Computer literacy, etc.)

Good knowledge of ***Linux, Mac OS X*** and ***Microsoft Windows*** environments, ***internet***, intranet, and ***wireless LAN***; familiar with most common software suites, ***Microsoft Office*** (*Word, Excel, PowerPoint, Access, Outlook, OneNote, and Project*), ***Open Office*** and ***Star Office***.

10. **Present position: INDEPENDENT CONSULTANT**

11. **Years within the firm: 22 MONTHS**

12. **Key qualifications:** (Relevant to the assignment),

- Technical expertise in development cooperation, local and rural development, food security, community-based development, natural resources management, and climate change adaptation;
- Practical knowledge and expertise in monitoring and evaluation (M&E) in related fields, including different approaches and methodologies such as desk review, performance indicators, log frame approach, personal interviews, surveys and questionnaires, participatory and rapid appraisal methods;
- Solid experience in managing, coordinating and monitoring development projects and programmes at international and regional level, with the ability to work independently and in sensitive contexts, including Latin America, Africa, South and Southeast Asia;

- Solid experience of working with development cooperation, governments, civil society organizations and donors (bi and multilateral);
- Good networking and communication skills;
- Experience in organizing, convening and facilitating meetings and workshops;
- Experience and knowledge of the socio-political context of Latin American countries and in working in multi-disciplinary, cross-sector and intercultural environments;
- Knowledge of EU programmes and procedures, including some policy frameworks;
- Experience in drafting policy documents, technical reports, and academic papers and recommendations documents.
- Skills and practical experience in data management and analysis;
- Fluent in Portuguese, Spanish and English;

13. Specific experience in the region:

Country	Date from - Date to
Africa (Cape Verde, South Africa, Uganda, Kenya)	<p>2003-2008</p> <p>LogoLink international network on governance, accountability and citizen participation; M&E, partnerships development, programme design, implementation, and civil society capacity building;</p> <p>Several missions to African countries to work with civil society organizations and subnational governments on issues of governance, citizen participation, local development and accountability;</p> <p>2005-2007</p> <p>Experience in working with the Mercosur Social and Solidary Programme funded by the EU involving several Latin American civil organizations in Mercosur countries and Chile; several missions to Montevideo, Uruguay (at the time the secretary of Mercosur) to discuss alternatives of regional integration and possibilities for South-South cooperation among member countries;</p> <p>Experience in South-South learning and exchange;</p>
Brazil	<p>2012</p> <p>Responsible for a Belgian development cooperation programme on democratic governance, food security and economic rights in Brazil and Cape Verde;</p> <p>Experience in working with the Brazilian Cooperation agency (ABC) to explore different types of South-South cooperation;</p> <p>2003 –</p> <p>Collaboration with several civil society organizations, research centres, and UN agencies in projects on microcredit, local governance, food security, rural development, climate change adaptation and disaster risk reduction;</p>
Colombia	<p>2006-2007</p> <p>Three missions to Colombia to work with the government of the city of Medellin in a South-South cooperation programme funded by several donors to promote participatory local</p>

	plans for the city development;

14. Professional experience

Date from -to	Location	Company and Reference Person	Position	Description
02/2014-12/2014	Brazil	OXFAM International, Ministry of Agriculture and Ministry of Environment of the Federative Republic of Brazil Contact: Dr. Martin Obermaier	Expert / Technical Consultant (food security and climate change adaptation)	Provide technical support and advising to the elaboration and review of the Brazilian National Climate Change Adaptation Plan , particularly in the areas of food security and climate change adaptation. It included the elaboration of 4 baseline studies on the conceptual and methodological frameworks available for food security and climate change adaptation, the assessment of possible climate change impacts for Brazilian agriculture, the food security vulnerability to climate impacts in all Brazilian states (using socio-climate indicators) and the mapping of possible climate adaptive strategies for food security in terms of governmental policies and programmes.
11/2013-02/2014	Brazil	<i>Direction Générale de Coopération au Développement et Aide Humanitaire (DGD), Ministère des Affaires Etrangères, Commerce Extérieur et Coopération au Développement, Royaume de Belgique; and Solidarité Socialiste – Formation, Coopération et Développement asbl</i> Contact: Mr. Gilberto Ferreira	M&E Consultant	Responsible for M&E of Belgian Development Cooperation Funds to <i>Solidarité Socialiste – Formation, Coopération et Développement asbl</i> in Brazil, including the planning of a 3 weeks monitoring mission , the elaboration of questionnaires to assess the programme impact and evaluate financial, administrative and procedural implementation of projects in different states of Brazil and in different thematic areas, including governance, accountability and local development . For the evaluation mission and report, different M&E approaches were used including participatory methodologies, performance indicators, surveys and questionnaires.

Date from -to	Location	Company and Reference Person	Position	Description
02.2012-12.2012	Cape Verde and Brazil	<i>Solidarité Socialiste – Formation, Coopération et Développement asbl</i> (Belgium) Contact: Mr. Jacques Bastin	Programme Manager for the global South (<i>Gestionnaire du programme Sud</i>)	Responsible for the Brazil and Cape Verde programmes, including the management and monitoring of its implementation; provided support to the advancement of the socio-political contexts in Cape Verde and Brazil, particularly on issues of democracy, governance and accountability, civil society environment, food security, access to health and decent work ; identification and M&E of partnerships and actions undertaken with civil society organisations (participatory evaluation); identify South-South cooperation possibilities; programme implementation and project design and activities; coordination of annual narrative and financial reports in both countries; fundraising and donors relationship (public, private and international organisations, including funding proposals to the EU Delegation in Cape Verde as well as a proposal to the EU Commission in Brussels).
03/2010 - 04/2011	Brazil	Centre for Environment Studies and Research (NEPAM), University of Campinas Contact: Prof. Leila da Costa Ferreira	PhD Research Fellow	Responsible for conducting literature reviews, fieldwork research and supervision of Scientific Initiation scholarships (IC, FAPESP/CNPq). Also several other academic activities such as organisation of seminars, publications and visiting fellowships linked to the following research projects: Urban Growth, Vulnerability and Adaptation: social and ecological dimensions of climate change on the Coast of São Paulo (FAPESP n. 2008/58159-7; PI: Prof. Daniel J. Hogan); and Environmental Issues, Interdisciplinary and Social Theory: The Intellectual Production in Latin America (FAPESP n. 2005/52317-1; PI: Prof. Leila da Costa Ferreira).
11/2008 - 10/2009	The Netherlands	Institute for Environmental Studies (IVM), Vrije Universiteit Amsterdam (VU) Contact: Prof. Frank Biermann	Research Fellow	Responsible for research activities within the Department of Environmental Policy Analysis (EPA), including the research cluster on Adaptive Governance, the EU-funded ADAM project and the Earth System Governance Project.
03/2009 - 05/2009	Belgium	CIDSE – together for global justice; <i>Caritas Internationalis</i> Contact: Dr. Achala Chandani	Expert / Technical Consultant (climate change adaptation)	Responsible for the preparation of a policy paper on <i>Reducing Vulnerability, Enhancing Resilience: The Importance of Adaptation Technologies for the post-2012 Climate Agreement</i>

Date from -to	Location	Company and Reference Person	Position	Description
08/2008 – 10/2008	Brazil	<p>The Institute for Applied Economic Research (IPEA), Secretariat of Strategic Affairs of the Presidency of the Federative Republic of Brazil.</p> <p>Contact: Dr. Cássio França</p>	Expert / Technical Consultant (strategic planning)	Responsible for supporting IPEA's process of strategic planning and internal organisation, including personal interviews with Department Heads and Board of Directors.
04/2008 - 07.2008	Brazil	<p>Centro Mineiro de Alianças Intersetoriais (CeMAIS), Institute for Social Governance (IGS)</p> <p>Contact: Mr. Philip H. Ueno</p>	Expert / Technical Consultant (rural development)	Responsible for the development of three capacity building resources and the organization and facilitation of four workshops on Rural Development and Social Participation.
03/2006 – 10/2008	Brazil	<p>Centre for Studies in Social Policy and Quality of Life (CEPPS)</p> <p>Contact: Prof. Eduardo de Lima Caldas</p>	Executive Director (part-time)	Responsible for the coordination of projects and activities, including the development of the strategic planning (2006-2010), the implementation of fundraising initiatives, the development of institutional partnerships with governmental bodies, civil society and community-based organizations. Also the management of administrative and financial operations.

Date from -to	Location	Company and Reference Person	Position	Description
06/2006 – 07/2008	Latin America, North America, Europe, Africa, and Asia	LogoLink International Network Contact: Prof. Jose Carlos Vaz	International Deputy Coordinator	Responsible for managing the international coordination of the LogoLink International Network on governance, accountability and citizen participation with partners from civil society organisations and governments in over 40 countries in Asia, Africa , Latin America, North America and Europe, including Brazil (Pólis), Mexico (CESEM), Peru (IEP), South Africa (GGLN) , Uganda (DENIVA) , China (CCPG), India (PRIA), the Philippines (IPD), the UK (IDS) and the USA (DDC). Directly responsible for identifying South-South cooperation possibilities and monitoring development projects and programmes funded by the network in these countries, including policy reviews, participatory evaluations, rapid appraisals and impact evaluations as well as administrative and financial auditing of project funds . Responsible for the organisation of learning events (South-South learning and exchange of experiences Brazil/ Southern Africa), the technical support to research and capacity building activities and the dissemination of knowledge products, including the maintenance of the network's webpage . Responsible for the development of project proposals and donor reporting, including the EU . Served on the Advisory Committee of the CIVICUS World Alliance for Citizen Participation representing the LogoLink International Network.
04/2005 – 12/2005	Brazil	United Nations Capital Development Fund (UNCDF) Contact: Mrs. Carolina Saba	Technical Consultant (microcredit/local development)	Responsible for the coordination of 30 volunteers, proof-reading of institutional documents and other activities related to the Brazilian national committee for the implementation of United Nations' International Year of Microcredit (UN-IYMC). Also served as Member of the Jury in the UN-IYMC's Micro-entrepreneurship Award in Brazil.

Inter-American Institute for Global Change Research. International Human Dimensions Programme on Global Environmental Change (IHDP). World Conference Centre Bonn, Bonn, Germany. April, 2009 (discussant).

Environmental Governance - cases from multiple levels. 7th Open Meeting of the International Human Dimensions of Global Environmental Change, Social Challenges of Global Change. International Human Dimensions Programme on Global Environmental Change (IHDP). World Conference Centre Bonn, Bonn, Germany. April, 2009 (session convenor).

Workshop The Participation in Innovative Experiences from Local Governments. LogoLink International Network. Centro de Estudos em Administração Pública e Governo (FGV/CEAPG). V World Social Forum, Porto Alegre, Brazil. January, 2005 (discussant).

Additional training

2010: Urban Responses to Climate Change: Politics, strategies and instruments for Latin America and the Caribbean. Inter-American Institute for Global Change (IAI), United Nations Economic Commission for Latin America and the Caribbean (UN/ECLAC), International Program on the Human Dimensions of Global Environmental Change (IHDP). Santiago, Chile [48 hours];

2010: Architectures for Earth System Governance – The Distributional Implications of Environmental Change and Governance. Environmental Policy Research Center (FFU), Freie Universität Berlin. Berlin, Germany [80 hours];

2010: Climate change: zooming in and out on the problem and its solution. Basque Center for Climate Change Research (BC3). San Sebastián, Spain [16 hours];

2010: The Amazon Rainforest and Climate Change. Amazon Institute for Environmental Research (IPAM). Manaus, Brazil [120 hours];

2009: Integrated Analysis of Complex, Adaptive Systems. Freeman Centre, Science and Technology Policy Research Unit (SPRU), University of Sussex. Brighton, UK [80 hours];

2008: Sustainable Adaptation to Climate Change. International Human Dimensions Programme on Global Environmental Change (IHDP), Jawaharlal Nehru University (JNU). New Delhi, India [48 hours];

2008: Carbon Finance and Clean Development Mechanism (CDM). Ecological Research Institute (IPE). Atibaia, Brazil [32 hours].

Fellowships, academic distinctions and awards

2010: Prof. Jorge Oscar de Mello Flôres Award. Best paper published in 2010 at the scientific journal Revista de Administração Pública (RAP), ISSN 0034-7612, Brazilian School of Public and Business Administration, Getulio Vargas Foundation (FGV/EBAPE), Brazil, September, 2011.

2010-2011: Doctoral Student Fellowship. Brazilian Federal Agency for Support and Evaluation of Graduate Education (CAPES). August, 2010-March, 2011.

2010: Training Course on the Human Dimensions of Global Environmental Change. EU Marie Curie Action on Architectures for Earth System Governance – The Distributional Implications of Environmental Change and Governance. Environmental Policy Research Center (FFU), Freie Universität Berlin, Germany. October, 2010.

2010: Emerging Leaders in the Americas Program (ELAP). Canadian Bureau for International Education (CBIE), Foreign Affairs and International Trade Canada (DFAIT). Department of Public Administration and Politics, Ryerson University, Toronto, Canada. February-August 2010.

2009: Amsterdam Conference on the Human Dimensions of Global Environmental Change. Institute for Environmental Studies (IVM), Vrije Universiteit Amsterdam. The Earth System Governance Project, International Human Dimensions Programme on the Global Environmental Change (IHDP). December, 2009.

2009: Emerging Theories and Methods in Sustainability Research (THEMES). EU Marie Curie Summer School on Integrated analysis of complex, adaptive systems. Freeman Centre, Science and Technology Policy Research Unit (SPRU), University of Sussex, Brighton, UK. June, 2009.

2009: Global Environmental Change and Human Security (GECHS). Synthesis Conference, University of Oslo, Norway. June, 2009.

2009: 27th Standing Conference on Organizational Symbolism. Copenhagen Business School (CBS), De Montfort University and London South Bank University.

2009: Open Meeting of the Human Dimensions of the Global Environmental Changes Community. Inter-American Institute for Global Change Research (IAI), International Human Dimensions Programme on the Global Environmental Change (IHDP), Bonn, Germany. April, 2009.

2009: Conference Beyond Kyoto: Addressing the Challenges of Climate Change. Aarhus Universiteit, Aarhus, Denmark. March, 2009.

2008: International Human Dimensions Workshop (IHDW). International Human Dimensions Programme on Global Environmental Change (IHDP), Energy and Resource Institute, Jawaharlal Nehru University, New Delhi, India. October, 2008.

2008-2009: Doctoral International Fellowship Program. Brazilian Federal Agency for Support and Evaluation of Graduate Education (CAPES), Department of Environmental Policy Analysis (EPA), Institute of Environmental Studies (IVM), Vrije Universiteit Amsterdam. PDEE/CAPES (grant BEX 3251-0-80). November 2008-October 2009.
